

Is your team ready for this big challenge?

The Famalicão AVC is a women's volleyball club that promotes this great tournament, aimed at the U20, U18 and U17 teams (women only).

From April 15 to 18, 2019, Famalicão will again be a great volleyball center. There will be some of the best teams from today, coming from different regions.

Between big games and lots of emotions, there will be time to get to know our region better and make new friends.

14 April - Welcome Lounge

Great emotions before the games.

In the 2019 edition, the teams will arrive in a festive atmosphere. Filled with surprises, it is destined to be a great moment of conviviality between all the participants. On this day there is no competition, so we have a little relaxation and lively exchange of first impressions of our event.

This day we will also have the technical meeting of the tournament.

15 to 18 April - Tournament

That's why we are in Famalicao: play!

On the 15th from 9:00am the games will take place in all areas of our event. A day of very competitive games until the evening. The same thing happens throughout the 17th.

On the 18th, the finals take place and the Volley Challenge arrives at its end, with the awards ceremony.

City Tours

In our tournament, it's also time to get to know the city.

There will be time to know the most picturesque points of our city. With a map in hand and together, or even in small groups, we provide all our clients with urban itineraries with a special focus for more extreme activities that we have prepared for everyone.

Coach Lounge

Great moments for coaches happen here.

In general, the tournaments of the various age groups run during the day. From the dinner hour we will have the meetings of coaches, which are real moments of exchange of ideas, in a relaxed way.

All coaches (up to 2 per team) are our guests, we want you to feel at home.

Awards Ceremony

There are prizes for everyone, there are smiles and there is nostalgia.

The awards ceremony is fast and very intense. Always marked by the recognition of the value of all the teams, by the joy of the winning team, by the surprise prizes. In the end, conviviality is always much hotter!
